BABY'S AWFUL HUMOR

My baby sister had a rash, causing her intense suffering. We had doctors, and tried everything, without a cure. It would scab over, crack open, a watery matter would ooze out and the scab fall off. We procured a box of CUTICURA (ointment), a cake of CUTICURA SOAP, and CUTICURA RESOLVENT, and she was entirely cured without a scar being left.

MISS LILLIE CHASE, Bristol, Vt.
Suffered from Eczema. Warm baths with CUTICURA SOAP, gentle anointing with CUTICURA, the great skin cure, and mild doses of CUTICURA RESOLVENT. Sold throughout the world. FORTY-SEVEN AND CHAMBERLAIN, Proprietors, Boston. How to Cure Every Humour, Free.

Read what the Benton county Tribune, the official populist paper of that county, has to say of Denton's name on the populist ticket.

"I cannot see how any thorough Populist could so compromise his conviction as to vote for gold stand ard men for office." H. W. Allen, nominated by the Populist party for circuit clerk.

EDITOR TIMES:—I desire through the columns of your paper to return my sincere thanks to the good people of Cave Creek and Ballard neighborhoods, and especially the ladies, for their kindness in ministering to the wants of my dear wife during her long illness and finally death. I can assure these friends that their acts of kindness shall never fade from my memory.

ZACK JOHNSON and FAMILY.

Judge DeArmond is doing good work for the party in this campaign, and he will be returned to congress by a princely majority this time.

Charley Denton is a nice fellow, well liked by those who know him, because he is perfectly harmless. But when we elect a judge we want a lawyer, who can rightly interpret the laws on our statute books. Waller W. Graves is the peer of any lawyer in the state. Vote for Graves.

By a typographical error the name of the populist candidate for judge of the north district appears on the official ballot as David C. Fuller. It should be DeWitt C. Fuller. The congressional nominee should be Samuel C. Books. They were correctly certified up by county clerk Crawford.

Atkeson and the populist steering committee could have saved themselves a good deal of worry and prevented considerable suspicion by endorsing the republican ticket from top to bottom at the outset. At least this would have looked more in order than having the steering committee spend a week in Butler caucusing night and day (mostly at night) with the republican committee, and then at the last moment, Saturday evening, pull their populist candidates off the ticket and fill their places with republicans. If the honest populist voter in the county could have spent the week in Butler and witnessed the rottenness of this dickering and pretended fusion business, he would not only vote the democratic ticket, but would be willing to head a mob to egg the rascals out of the county.

Mrs. Zack Johnson, who has been an invalid for several years with a complication of diseases, died at her home near Mayesburg, Thursday, October 27th, 1898. The deceased was 48 years and 24 days old. She had been bed fast for the past 14 months, and while receiving the very best medical attention and nursing from a loving husband and daughters. Nothing could be done for her to stay the summons which must be answered by all sooner or later. Mr. and Mrs. Johnson were married at Chilhowe, Johnson county, Feby 24, 1876, and their union was blessed with three children, two daughters and a son. The family moved to Bates county in 1881, where they have since resided. The deceased was a most estimable lady and the sad news of her death will be received by her many friends with deepest regret. BOB LOTSPICH SHOT.

One of Butler Boys Seriously Wounded.

Lexington, Ky., Oct. 29.—Last night Privates R. U. Lotspich and Walter Swadley of the second Missouri went to a farmer's near their camp to get some chickens. The farmer was waiting for them and shot them with a shotgun loaded with slugs and buckshot. Lotspich was struck in the arm, side and head, and in a serious condition. Swadley was hit in the leg, but is not seriously hurt.

Another report says the boys were going to call on some young ladies and were mistaken for chicken thieves. Bob Lotspich was one of our best young men, honest and upright and if he did anything wrong it was more in the nature of a lark, and he had no intention of committing a crime in the eyes of the law.

Joe E. Haggard and S. J. Haggard and wife of Adrian, Bates county, have been visiting Dixie L. Haggard and family for several days past. Yesterday evening, the former of gentlemen mentioned and Miss Ruth Litton, the daughter of a well known and prominent farmer, who resides north of Harwood, were united in marriage. Both of the parties to this happy affair are well known and popular young people, and carry with them the best wishes of a host of friends for happiness and prosperity on their journey through life.—El Dorado Springs Sun.

Atkeson's protestations heretofore of being for free silver have proved as hollow as all his other political promises and acts since coming to Bates county.
